INAUGURATION OF PROMENADE DES DASMARIÑAS: The View-tiful Transformation of Imus River along

A place to relax. A place to listen to the calming sound of the river. A place glowing with lights — saturating the worries of our hearts with awe. This is Promenade des Dasmariñas, a project by, of, and for the people.

The 25th day of March has always been special to Dasmariñeños as it is the birthday of the City Mayor, Atty. Elpidio F. Barzaga, Jr. who has been selflessly serving the people with unwavering commitment to excellence and progress.

This year, this special day was made more meaningful with the blessing and grand opening of the said river park.

The ceremony was graced with the presence of Mayor Pidi's family — Congresswoman Jennifer Austria-Barzaga, Kiko Third, and Enzo Barzaga, Vice Mayor Raul Rex

Barangay Captains; Kababaihan ng Dasmariñas sa Bagong Milenyo (KDBM); Green Ladies; TODA officials; Senior Citizen Presidents, NGOs, and various stakeholders in our City. The inauguration started with a thanksgiving mass led by Father Jerome A. Marquez, SVD. After which, a short message was given by Mayor Pidi in which he emphasized that Promenade des Dasmariñas is an effort not only for the restoration and protection of the environment but also for the

DepEd to manage Global Filipino Schools program

(From page 3) Meanwhile, Globe Telecom believes that carrying out the management of GFS, DepEd will be able to closely monitor how technology improves teaching and learning for

Schools (GFS) Program from Globe Chief Sustainability Officer and Senior Vice President for Corporate Communications, Ma Yohana Cristiano. "With GFS now under DepEd, we hope to open doors for more public schools to experience education that is not limited to the four corners of the classroom and not bounded by physical textbooks or paper and pen so that borderless learning can take place," Cristiano stated. As one of the program beneficiaries, DepEd Region VII Director Juliet Jeveta shared: "The GFS has been part of our competency enhancement and has provided our teachers with 21st century skills to face the challenges of integrating blended learning,

problem solving, inquiry-based sessions, ICT literacy, and critical thinking in the classroom." In closing, Unali DepEd also underscored the importance of partnership through sharing of teachers' needs in all public schools and solutions needed for helping advance by teachers and learners. INAUGURATION OF PROMENADE DES DASMARIÑAS: The View-Itful Transformation of Imus River along

(From page 1) Truly, the City Government recognizes how the fast-paced city life cannot be so relaxed with relaxation and recreation. The Promenade des Dasmariñas is still a work in progress. May we all be united in preserving this public park by carefully abiding with its rules.

- No littering
- No smoking
- No eating
- No alcoholic beverage consumption
- No vending or sales
- No bathing at the fountain area

It is both an honor and a privilege to witness this big change along the Imus River. It is amazing to think how the abandoned and decaying river was transformed into a beautiful view of nature. The pleasing garden, fountain, and waterfalls are truly "view-ital" transformation! It is for us to cherish and take care for to ensure that it would be seen and enjoyed even by our children's children.

The Provincial Cooperative, Livelihood and Entrepreneurial Development Office headed by Atty. Khervy Reyes formally opened the BIZ iCREATE-Cavite Responsible Entrepreneurs Aiming Toward Economic Sustainability program on April 2, 2019, a progressive training designed to reach out to entrepreneurs and cultivate in them the proper mindset for ease of managing business. Around twenty qualified Caviteño entrepreneurs gathered at the PCLEDO Training Area in Trece Martires City, gaining knowledge on financial formula and understanding the business model – the learning areas covered on the first session from the series of activities lined up for them. Succeeding schedule of lecture and discussion will focus on entrepreneurial skills development and strategic business planning which will be held on the 23rd and 30th of April; as well as on the 2nd and 28th of May 2019. Dr. Aldrin Antiyola, Professor DLSU-Dasmariñas Graduate School of Business, who served as the guest speaker during the first session effectively shared his expertise on entrepreneurial mindsetting.

DepEd to manage Global Filipino Schools program

The Department of Education (DepEd) formally accepted the turn-over of the Global Filipino Schools (GFS) program from Globe Telecom during a culminating gathering at the Bulwagan ng Karunungan on March 29.

Launched in 2012, the GFS program was designed to promote 21st century learning principles and information and communications technology (ICT) integration in public schools nationwide. The program is implemented in 218 public schools in

202 divisions across the country which benefited 331,241 learners and 11,666 teachers. The program package includes free internet connectivity and tools like tablets, projectors, virtual reality (VR) goggles, casting dongles, Home Prepaid Wi-Fi Modems, and mobile phones. Partner schools also receive intensive teacher training program on 21st century learning approach, ICT integration in the classroom, and workshop modules on responsible digital citizen-

ship. Undersecretary for Legislative Affairs, External Partnerships, and Project Management Service, Tonisito Umali, Esq., and Assistant Secretary for Public Affairs Service and Alternative Learning System Program and Task Force, G. H. Ambat, accepted the turn-over of GFS from Globe Chief Sustainability Officer and Senior Vice President for Corporate Communications, Ma. Yolanda Crisanto.

a change in mindset—a change in framework in teaching, learning, doing curriculum, and delivering modules to our children. We should be at par with what is going on in the whole world. Ang mindset ay dapat patungo sa 21st century classroom,” Umali emphasized.

He also lauded Secretary Leonor Magtolis Briones for prioritizing the use of technology in teaching and learning through the DepEd Computerization Program: “Patunay na

“We need to have (Turn to page 4)
