"TRUE LOVE WAITS" BY KARITON SENIOR HIGH SCHOOL IN AMADEO, CAVITE

The Kariton Senior High School founded and established by the Dynamic Teen Company (DTC) headed by 2009 CNN Hero Mr. Efren Penaflorida, recently held its 5th True Love Walts program on March 8, 2019 at the Municipal Covered Court in Amadeo, Cavite. Among the activities during the program were the poster-making contest, spoken poetry competition and the musical/theatrical play participated by the Kariton High School students. The event was also in collaboration with key school personnel from Amadeo National High School, Pangil National High School and Halang Banay-banay National High School to promote abstinence and encourage the youth to focus first on their education for a better future. Similarly, the "True Love Waits" advocacy helps develop a positive behavior support plan that bridges home and school for parents to see how their children perform and behave in school. Every year, Mr. Peñaflorida supports such project to inspire the youth to achieve their dreams. DTC is a youth-development, non-profit organization founded in 1997, made up of mostly teen-aged volunteers that helps educate the less-privileged children mainly from the marginalized sector of society.
