

CAVITE PTCAO JOINS DTI AND DOLE IN THE INSPECTION OF RESTAURANTS AND SALONS

Ensuring the health and safety of the public is the top priority of the provincial government in this time of the COVID-19 pandemic as some businesses reopen during the General Community Quarantine in Cavite. On June 24, 2020, the Provincial Tourism and Cultural Affairs Office (PTCAO) participated in the initial joint monitoring of establishments on their compliance with the mandatory minimum requirements for operations of restaurants and some hair salons/barbershops, pursuant to Memorandum Circular No.20-28 & 37, which sets the minimum health protocols for salon and dine-in services of restaurants.

Together with the Department of Trade and Industry (DTI) Cavite, the Department of Labor and Employment (DOLE), the Provincial Health Office (PHO), and the Business Processing and Licensing Office (BPLO) of LGU-Dasmariñas City, PTCAO took part in conducting the post-audit monitoring of 27 tenants in SM City Dasmariñas. The monitoring team was welcomed by mall manager, Ms. Edith Tayco and DTI-Cavite OIC-PD Reveleyn Cortez.

services, hoping that the COVID-19 pandemic will soon end to give way to the economy.

An electronic questionnaire on safety protocols answerable by a Yes or No was utilized by the team as they inspect each establishment. Among those safety protocols being checked include use of health declaration form/checklist, thermal scanner, alcohol, foot bath, 1-meter social distancing, display of safety signages, proper queuing, sanitation and ventilation.

The monitoring team targets to visit all malls in Cavite and other stand-alone establishments.

The monitoring team has set the next schedule City Bacoor. — (PTCAO) alone establishments. DTI on June 26, 2020 at SM Source: cavite.gov.ph

City Government and DepEd Imus implement ways to aid learning of the youth amidst pandemic

At the start of School Year 2020-2021, the City Government and DepEd Imus wanted to ensure the learning of youth even during the pandemic. The teacher-riders who are members of DepEd Imus City Eagle Riders (DICER) are fun-ny, the learning modules of every student will be delivered to every household. We also distributed over 2,500 radios that could use flashdrive to help teachers in their review of recorded lessons. We are also currently adjusting the setting and speeding of internet connection in every school and barangay to help learners and teachers with their studies. In our cooperation and unity, we can handle everything. #SulongEduQuality #DepEd-DepEd Imus City Eagle Riders (DICER) are fun-ly adjusting the setting and speeding of internet connection in every school and barangay to help learners and teachers with their studies. With inclusivity in mind, DepEd Region II Director Dr. Estela Carino added that learners with special needs will have video sessions as well as assigned teachers that will be guiding them throughout their lessons.

“The activities we placed in the SLMs will be appropriate for learners with special needs, too. We still have to give these learners the same kind of care that we gave them while we were doing face-to-face classes. Most of them would be using video-taped lessons aside from the modules,” RD Carino said. DepEd has provided a set of SLMs for each region for contextualization, which shall be printed in July and will
