Now that the Philippines has reached an output of 10,000 tests per day, the Department of Health (DOH) has announced its plans to expand testing to include certain asymptomatic subgroups.

In the June 5 Beat COVID-19 Virtual Presser, Health Undersecretary Dr. Maria Rosario Singh-Vergeire, with infectious disease experts Dr. Benjamin Co and Dr. Anna Ong-Lim, discussed the department's new direction in testing.

Ong-Lim, immediate past president of the Pediatric Infectious Disease Society of the Philippines, explained that there will still be criteria for decidasymptomatic population should be tested in order

Strict protocols implemenyed at Wet and Dry Market Molino 3

Mahigpit na pinapatupad ang mga public health safety protocols sa ating mga palengke at supermarket tulad nalang sa Wet and Dry Market at San Roque Supermarket sa Molino 3. Sinusunod ng ating mga kababayan ang social distancing measures sa pamamagitan ng pagpila gamit ang Circle of Life. Bago makapasok sa palengke, dadaan sila sa thermal scanner at sinisiguro na may face mask at Quarantine Pass ang

General Community Quarantine Imus Tricycle Guidelines

Sa kabila ng pagtanggal ng clustering sa lungsod ay mananatili ang pagpapatupad ng GCQ guidelines sa pagbyahe ng tricycle.

BODY ENDING NUMBER:

123 - Monday, Tuesday 456 - Wednesday, Thursday 7890 - Friday, Saturday

Ang bawat terminal ay bibisitahin ng City Health Office upang inspeksyonin kung nasusunod ang guidelines sa social distancing at health monitoring. Kung macertify ng Health Office na compliant ang terminal at mga tricycle, ang TRU ay magbabalangkas ng bagong guidelines tungkol dito.
