**DEPED UNDERSCORES ROLE OF EDUCATION TOWARDS CLIMATE CHANGE ACTION IN 6TH NCCC**

The DepEd DRRMS conducted the 6th National Climate Change Conference with the theme "Responding to Climate Change: Role of Education towards Climate Change Action" to provide a space for knowledge-sharing and learning platforms on the science of climate change, challenges, and opportunities.

The Department of Education (DepEd) underscored the role of education towards climate change action to students, personnel, and stakeholders in the conduct of the 6th National Climate Change Conference (NCCC).

"Our small actions, when united, can make a long way in our fight against climate change. We believe that by encouraging participation of learners and DepEd personnel in climate change adaptation and mitigation, we can have a deeper grasp of climate change, especially the challenges and opportunities confronting us," DepEd Disaster Risk Reduction and Management Service (DRRMS) Director Ronilda R. Co said.

Dir. Co also imparted two significant questions inspiring climate change action among learners, personnel, and stakeholders, "If Climate Can Change, why can't I? If climate can change, why can't we?"

Featured in the three-day conference were climate change webinars, climate action stories, and climate dialogues with experts on climate change and human rights that recognized the vital role of the academic community in climate change education.

Keynote speaker and University of the Philippines Los Baños (UPLB) Chancellor Dr. Jose V. Camacho Jr. supported that academic institutions play a significant role in climate action, particularly in instruction and

dissemination. Chancellor Camacho also highlighted the involvement of UPLB in the climate change program as one of the priority areas considered in the UPLB-AGORA (Accelerating Growth through One Research and Extension in Action) research and extension agenda.

Meanwhile, DepEd Regional Directors Estela L. Cariño (CAR), Tolenti-

no G. Aquino (Region I), Ramir B. Uytico (Region VI), and Ruth L. Fuentes (Region IX) imparted their messages on their roles and campaigns in combatting climate change and its impacts through information dissemination. Also, different students shared several pledges to the public in combating climate change and saving the environment. In collaboration with

the UPLB – University Library ALIVERary BOOKS Program, the DepEd DRRMS conducted the 6th NCCC with the theme "Responding to Climate Change: Role of Education towards Climate Change Action" to provide a space for knowledge-sharing and learning platforms on the science of climate change, challenges, and opportunities. # DILG receives 5th Competence Award

For the fifth time, the Department of the Interior and Local Government (DILG) has been cited by the Career Executive Service Board (CESB) for its efforts in scaling up the level of competence of its officials as it was recognized as the fifth best national government agency (NGA) with the highest Career Executive Service Performance Evaluation System (CESPES) compliance rate for 2021 (90%) and one of the Top 5 NGAs with the highest CES occupancy rate (58.10%) as of September 30, 2022.

DILG Secretary Benjamin 'Benhur' Abalos, Jr. said both awards are testimonies to the Department's commitment and support to the government workers;

Secretary's excellent contribution to CESB's digitalization of the government workers; CES Officers (CESOs) and

felt appreciation to CESB for these recognitions. Moving forward, DILG ensures that we will continue enhancing the skills, knowledge, working conditions and career development of our employees to live up to the Department's brand of public service - one that is 'matino, mahusay, at maaasahan' - and take part in the realization of the development goals

of the Marcos administration," Abalos said. The DILG Secretary said the recognitions manifest the Department's commitment to upholding the high standards of the Quality Management System in order to deliver efficient technical and administrative services, promote good local governance and achieve client satisfaction. ## Exemplary mining firm honored at Baguio mine conference

The Department of Environment and Natural Resources (DENR), through its Mines and Geosciences Bureau, has recognized several mining companies that operate in the most socially, economically and environmentally responsible way.

During the 68th Annual National Mine Safety and Environment Conference held in Baguio City last November 18, no less than DENR Secretary Maria Antonia Yulo Loyzaga handed over the awards, including the prestigious Presidential Mineral Industry Environmental Award (PMIEA), to the honorees.

"I'd like to take this opportunity to congratulate the winners and awardees for this year, especially the recipients of the pres-

tigious [PMIEA]," Loyzaga said in her keynote address.

"We are certain that your exemplary achievements will set the trajectory, encourage replication, and raise awareness of the mining industry's vital contributions to inclusive, resilient, and sustainable progress," she added.

# Sec Tulfo heeds call for mandatory and random drug test amongst DSWD officials and personnel

The Department of Social Welfare and Development (DSWD) continues to implement a drug-free workplace policy to uphold the safety and productivity of its officials and employees.

Setting an example, DSWD Secretary Erwin T. Tulfo heeded the call to keep the DSWD workforce from the harms and risks of substance use by actively participating in the conduct of mandatory drug testing for DSWD officials and random drug testing for employees in the DSWD Central Office on December 12 and 13.

The Department emphasized that the regular drug testing program aims to safeguard DSWD employees from the ill effects of drug abuse, hence, promoting a productive workplace and yielding better outputs.

In compliance with Civil Service Memorandum Circular No. 13, s. 2017 or the “Guidelines in the Mandatory Random Drug Test for Public Officials and Employees and for Other Purposes” and DSWD Administrative Order No. 14, series

of 2017 or the Enhanced Guidelines in the Implementation of a Drug-free Workplace Program, the Secretary submitted his urine samples for the drug test which was administered by the East Avenue Medical Center National Reference Laboratory.

The Secretary, along with the whole DSWD, seeks to ensure that officials and employees of the Department are free from any adverse impacts of substance use on their job performance by establishing a drug-free working environment. Source: DSWD

## DILG receives 5th Competence Award

(From page 1) Established by the CESB, CESPES is the official semestral performance evaluation system for the members of the CES, which serves as the basis for personnel actions such as promotional appointments, salary adjustments, and granting of incentives.

Moreover, the DILG Chief said that the Department was also hailed as one of CESB’s Outstanding Human Resource (HR) Partners in 2022 for advancing support and learning initiatives for CES.

Abalos also credited this citation to Assistant Secretary for Human Resources Development Florida M. Dijan, who was honored by CESB for her distinguished service in the government. “We commend Asoc. Dijan for her innovative and proactive strategies in the Department and of course, the whole DILG HR personnel for their efforts in future-proofing the DILG’s workforce in order to meet the present and future needs and build a strong

organization that can overcome internal and external challenges,” he said.

Based on Executive Order No. 80, the Enhanced CESPES instruments include the following Performance Commitment and Review Components: Organizational Strategic Objectives, Office Performance Objectives, Performance Outcomes, Ratee’s Performance Commitment/s and Ratee’s Performance Results. These are aligned with the 6 core competencies, the Strategic and Critical Thinking, Leading in a Continuously Changing Environment, Empowering/Developing Others to Establish Collective Accountability for Results, Linkaging and Networking for Productive Partnerships, Planning/Organizing for Greater Impact, and Driving Performance for Integrity and Service.

During the 49th Founding Anniversary and 2022 Career Executive Service Lifelong Learning for Leadership Congress (2022 CESCON)

held recently, President Ferdinand R. Marcos, Jr. urged CESOs and CESEs to carry out their mandates efficiently and proactively and utilize their learnings to effect changes amidst all the obstacles facing the country.

“But as we take the daunting task that is ahead of us, I ask you to actively take part in pursuing this Administration’s 8-Point Socioeconomic Agenda — policies that promote social justice, ensure food security, accelerate progress, protect our environment, and address climate change,” the President said.

Themed “Rebound: Bounce Back Better,” the 2022 CESCON provided an avenue for the oath-taking of 96 new CESEs who passed the CES Eligibility Examination, the graduation of the Leadership and Management Proficiency Program Class of 2022, the annual tribute to retiring CES members and recognition of CES Partners. # Exemplary mining firm honored at Baguio mine conference

(From page 1)

Executive Order No. 399, series of 1997, PMIEA is conferred every year on mining companies that have exhibited exemplary performance in terms of safety and health, environmental protection and enhancement, and social development management.

This year, a total of 12 companies received the PMIEA, which was divided into three categories: underground mining operation, quarry operation, and mineral processing.

The PMIEA recipients under the surface mining operation were CTP Construction and Mining Corporation-Dahican; Eramen Minerals Inc.; FCF Minerals Corp.; Hinatuan Mining Corp.-Tagana-an; Platinum Group Metals Corp.; Taganito Mining Corp.; and TVI Resource Development (Phils.) Inc.-Balabag Gold-Silver Project. For quarry operation, the awardees were Republic Cement Mindanao Inc., Republic Cement & Building Materials Inc.-Batangas, and Republic Cement & Building Materials Inc.-Teresa.

Coral Bay Nickel Corp. and Mindanao Mineral Processing and Refining Corp. received the PMIEA under the mineral processing category.

In her keynote address, Loyszaga reaffirmed the DENR’s commitment to responsible mining through the implementation of a “pro-people, pro-environment, and science-based legislation, policies, and programs.”

The environment Inc. under the category underground mining operation category, mineral processing-concentrator and safest mining operation; TVI Resource Development (Phils.) Inc.-Balabag Gold-Silver Project for surface mining operation; Republic Cement & Building Materials, Inc.-Batangas for quarry operation; Makilala Mining Company Inc. for exploration A; and Itogon-Suyoc Resources Inc. for exploration B.

The DENR also conferred Platinum and Titanium Achievement Awards to 17 mining companies, which fell short of the required rating for the PMIEA yet still exhibited “high degree of performance” in terms of safety and health, environmental protection and enhancement, and social development management.

At the same time, the DENR gave the Best Mining Forest Awards to Taganito Mining Corp. for metallic category; Republic Cement & Building Materials Inc.-Bulacan for non-metallic; Coral Bay Nickel Corp. for mineral processing plant; and Philex Mining Corp. for exploration. Eleven other firms were proclaimed runners up. The Safest Mines Award was given to OceanaGold (Philippines) DENR

Inc. under the category underground mining operation category, mineral processing-concentrator and safest mining operation; TVI Resource Development (Phils.) Inc.-Balabag Gold-Silver Project for surface mining operation; Republic Cement & Building Materials, Inc.-Batangas for quarry operation; Makilala Mining Company Inc. for exploration A; and Itogon-Suyoc Resources Inc. for exploration B.

The winners under the mineral processing category were Coral Bay Nickel Corp. (extraction); Graymont (Philippines), Inc. (calcining plant); and Philippine Mining Service Corporation-Bohol Plant (crushing plant).

Taganito Mining Corp. won the Most Improved Safety Performance Award.

Meanwhile, safety inspectors, mine supervisors, and miners from the TVI Resource Development (Phils.) Inc.-Balabag Gold-Silver Project, Apex Mining Company Inc., and Platinum Group Metals Corp. were named Mine’s Best Personalities. Source: DENR

## DOST-STII, EDUKSINE, INK AGREEMENT TO PROMOTE SCIENCE THROUGH FILM

(From page 4)

Sine, a block streaming platform, agreed to work together to promote Science and Technology (S&T) related content to a wider audience through film.

December 12, 2022, both parties signed a Memorandum of Agreement (MoA) which aims to strengthen and promote S&T by showcasing different programs of the DOSTv in the EdukSine website and applications.

 DECEMBER 12, 2022

Officials from the Department of Science and Technology-Science and Technology Information Institute (DOST-STII) and EdukSine sign a Memorandum of Agreement on December 12, 2022 at the DOST-STII Office in Bicutan, Taguig City to promote S&T related content to a wider audience. DOST-STII was represented by Director Richard P. Burgos (Seated, 2nd from left) and senior science research specialist and OIC of CRPD, DOST-STII, Rodolfo P. de Guzman (Left). EdukSine was represented by Karen Salutan (Seated, middle) and other officers. (Photo from DOSTv)

DOSTv is the official broadcast channel of DOST that produces various programs related to department's projects and programs, knowledge products, services, and science luminaries in the country. On the other hand, EdukSine is the only block streaming platform in the Philippines, showing films, documentaries, and other socially relevant videos that appeal to various audiences.

Some of the DOSTv programs that will be shown in EdukSine are SiyenSikat: Pinoy Popular Science Para Sa Lahat, a magazine cum reality science show that highlights the fulfillment of dreams and an expression of gratitude to DOST, and Sine-Siyensya, a documentary program which features compelling true-to-life stories of people benefitting from S&T, thus can be a

powerful communication tool to inspire the audience to embrace science, technology, and innovation.

These DOSTv programs will air, initially, on EdukSine's digital platforms from December 19, 2022, until December 23, 2023.

Meanwhile, other DOSTV programs like Ex-perTalk can still be seen on television every Sunday at 8 AM with replays on Saturdays at 8 AM and 4 PM on CNN Philippines and DOST Report every Friday, 4 PM at the DOSTv's official Facebook page: <https://www.facebook.com/DOSTvPH> and official YouTube channel: <https://www.youtube.com/@DOSTvPH>.

## Single Ticketing System garner support from DILG

The Department of the Interior and Local Government (DILG) expresses its gratitude to the Metro Manila mayors for heeding the appeal of the Department for a moratorium on the confiscation of drivers' licenses and supporting the single ticketing system which will be implemented in the first quarter of 2023.

During a meeting on Saturday with the Metro Manila Council, the Metro Manila Development Authority (MMDA), and the Land Transportation Office (LTO), we have secured the commitment of the Metro Manila local chief executives to pass

an ordinance supporting the single ticketing system and deferring to the LTO the authority to confiscate licenses as the leading law enforcement agency in implementing traffic laws and the safety of the motoring public.

Under the said system which is still being finalized, Metro Manila LGUs will forward their traffic violation citations to the LTO which will, in turn, record and tally such violations as part of its demerit system.

If a motorist is found to have ten traffic violations, his or her driver's license will be suspended.

The system will also prescribe a uniform schedule of fees for traffic violations incurred which can be settled at the nearest Bayad Center or bank.

We hope the upcoming implementation of this system will put to rest issues on the confiscation of licenses and will lead to better enforcement of traffic rules and regulations for the benefit of motorists and commuters alike.

Kaisa ninyo po ang DILG, ang Metro Manila Council, MMDA at LTO sa patuloy na pagpapatupad ng batas trapiko at pagtataguyod ng mahusay na transportasyon sa Metro Manila. Source: DILG

## DPWH USec Cabral receives Outstanding Filipino Award

(From page 3) Cabral mentioned topics such as the acceleration of infrastructure investment in the country and its positive effects on easing poverty alleviation initiatives of the government; faster and more efficient planning and execution of

the Department to ascend from being just a building and public works agency into the strategic, planning, and forward-looking infrastructure arm of the Philippine government that it is today.

In her acceptance message, Undersecretary

long-term masterplans for high-standard highways, expressways, and flood control across the country; adaptation of new technologies and processes to better monitor the thousands of projects implemented by the DPWH; and the expansion of private sector participation in public infrastructure through the PPP modality.

Several DPWH officials attended the awarding ceremony as a show of support for the new career achievement of Undersecretary Cabral, the first female National President of the Philippine Institute of Civil Engineers (PICE) in 2017-2018 and the 2021 Professional of the Year in the field of Civil Engineering by the Professional Regulation Commission (PRC).

“We promise, in behalf of my DPWH family, that we will continue to work together not only with the local government but also with the private sector to ensure that we accelerate our infrastructure development without putting our country, particularly our financial situation, in jeopardy,” said Undersecretary Cabral.
