

Typhoon victims in Caraga Region receive support from Arena XI

City Government of Carmona

Nasa 34 na mga bata ang nakatanggap ng Assistance to Children In Conflict with the Law, Child-At-Risk, and Children In Need of Special Protection mula sa Pamahalaang Bayan. Katuwang ang Municipal Social Welfare and Development Office, layunin ng programang ito na makapagbigay ng iba't-ibang suporta tulad ng tulong pinansyal, counseling at intervention sa mga kabataan.

Isa ito sa mga programa ng Pamahalaang Bayan sa pagtataguyod ng mga proyekto na isulong at protektahan ang interes at karapatan ng mga kabataan.

Following the on-commenced relief efforts of Typhoon "Odette", the Association of Regional Executives and National Agencies in Region XI (ARENA XI) devastated several areas in

Visayas and Mindanao affecting over seven million people which resulted to PHP 11.1 billion damages in crops and farmland and another PHP 17.5 billion damages to homes, roads, and infrastructures, according to the latest government data.

Employees from different National Government Agencies (NGAs) joined hands in sending out their support to families affected by Typhoon Odette thru the ARENA XI donation drive on 28 December 2021. The collected donations included water, water gallons, rice, canned food, hygiene kits, clothes, and materials for temporary shelter. The material support was given by the following agencies:

Department of Health XI (DOH XI), Commission On Audit XI (COA XI), Department of Energy XI (DoE XI),

DILG taps into PNP for media security

The Department of Interior and Local Government (DILG) has ordered the Philippine National Police (PNP) to designate Media Security Focal Persons in each province and city nationwide to provide a mantle of protection for members of the media who may face threats or intimidation in the course of the 2022 elections.

City Government of Imus

Herd immunity achieved! Tayo'y nagbuklod-buklod at ating nakamit ang isang makahulugang tagumpay laban sa COVID-19. Nagpapasalamat tayo sa bawat isang bumubuo sa ating #BidaAngMayBakuna team, at sa lahat ng sumuporta sa kampa-nyang ito.

Hindi pa tapos ang laban, at sa pagbubukas ng ating vaccination sites sa ating mga karatig-bayan ay mailalapit natin sa mas marami pa ang proteksyon ng bakuna.

Alay natin ang pagsisikap na ito sa bawat frontliner, bawat pamilyang Pilipino, at lahat ng ating mga kasama sa pagharap sa pandemya. Abot-kamay ang ating pagbangon, makibuklod at magpabakuna! #SerbisyongMaliksi #BuklodFilipino

Speaking for the said the memorandum was Joel Sy Egco in anticipation of a possible increase in violent incidents involving mediamen during the election season. Secretary Eduar-do M. Año to PNP Chief General Dionardo Carlos upon the request of PT-FoMS Executive Director

DepEd strengthens policies on Children's Rights

The Department of Education (DepEd), through its Legal Affairs strand, highlighted the different initiatives of the agency in promoting and implementing rights-based education (RBE) for this year.

In her year-end report during the DepEd General Assembly, Undersecretary for Legal Affairs Atty. Josephine Maribojoc highlighted the advocacy of the agency to develop happy, well-rounded, and smart children enjoying their rights in school, learning centers, and other learning environments

(Turn to page 2)

Undersecretary for Legal Affairs Atty. Josephine Maribojoc highlighted the advocacy of DepEd to develop happy, well-rounded, and smart children enjoying their rights in schools, learning centers, and other learning environments through the rights-based education (RBE). The Office of the Undersecretary for Legal Affairs (OULA) also spearheaded the creation of the Child Protection Unit (CPU) and Child Rights in Education Desk (CREDe), which are tasked to uphold the rights of children to accessible and quality basic education and to protect them from all forms of abuse, violence, and neglect.

deped.gov.ph DepEd Philippines depedphilippines DepEd PH

DepEd strengthens policies on Children's Rights

(From page 1) through the RBE.

RBE promotes three dimensions: the right to access to education, the right to quality education, and the right to respect in the learning environment which includes the right to identity and non-discrimination, right to be heard and to participate, and the right to protection against all forms of violence and abuse.

"Much has been done but there is still so much work to do. Sa ngalan po ng mga batang pinaglilingkuran ng Legal Affairs Strand, maraming salamat

sa inyong pakikipagtulungan upang maitaguyod ang mga karapatan ng bata at kabataan sa edukasyon," Usec. Maribojoc said.

At the start of 2021, the Office of the Undersecretary for Legal Affairs (OULA) also spearheaded the creation of the Child Protection Unit (CPU) and Child Rights in Education Desk (CREDe) through DepEd Order No. 003 s. 2021.

CREDe, along with the Child Protection Unit (CPU), is tasked to uphold the rights of children to accessible and quality basic education and to protect

them from all forms of abuse, violence, neglect, and any other act that hinders children from exercising their constitutional and international rights.

DepEd has introduced CREDE and CPU, which employ a whole-of-school, whole-of-DepEd, whole-of-government, and whole-of-society approach in calling on all education stakeholders as duty-bearers to uphold the rights of every child, especially in the context of basic education.

Meanwhile, OULA, through CREDe, contributes to protect (Turn to page 5)

DILG taps into PNP for media security

(From page 1)

"The infamous massacre in Ampatuan, Maguindanao in November 2009 is a constant reminder that media workers are mostly vulnerable a few months before, during and a few months after every elections," Malaya said. He said that the DILG and the PTFoMS are particularly concerned over the fact that the problem of media killings and other acts of violence against members of the media are "directly related to the geopolitical environment."

"We share the views of PTFoMS Executive Director Usec Egco, whose

office has data on the prevalence of media violence during the election season. The best example of that is, of course, the Maguindanao massacre. Secretary Eduardo Año saw the wisdom in the request and as a result, he gave the directive to the PNP," Malaya pointed out.

Based on the memorandum, the PNP is directed to designate a PNP focal person for media security who will be the first to receive information and respond to any threats leveled against a media worker and shall also directly coordinate with assigned Special Agents (SAs) of the PTFoMS and assist the

Task Force in expediting the resolution of cases of violence against journalists. DILG Secretary Eduardo Año expressed optimism that the presence of Police Focal Persons for Media Security will be an effective deterrent or strategy for a quick response measure to protect journalists at the local level.

"We are one with the PTFoMS in providing security and other protective measures for media workers. They deserve to be shielded from every form of harm that they might be exposed to in the line of duty particularly during elections," the DILG Chief (Turn to page 4)

Mula sa proyektong ito ay naihandog ang handwashing station, learning kits, COVID-19 essentials, at tower Wi-Fi with unlimited data. Kasabay nito ay nagkaroon rin ng tree-planting program para sa mga nabanggit na paaralan.

Safety Seal recognition awarded to DepEd Ilocos

The Department of Education Regional Office I (DepEd ROI) received a Safety Seal Certification from the Department of Interior and Local Government (DILG) at San Fernando City, La Union on January 10, 2022.

Each functional division, section, and unit of the DepEd ROI underwent thorough evaluation and assessment before the issuance of the certification. Personnel from the DILG, Bureau of Fire Protection (BFP), and the Philippine National Police (PNP) conducted a separate inspection in all the regional office's buildings to substantiate compliance as provided for by the implementing guidelines. "The Safety Seal itself does not really assure

safety in our workplace, but it is an important marker to earn the confidence of our client and our personnel in the office that we are striving to ensure safe health for everyone," Regional Director Tolentino G. Aquino shared.

As stated in the DOLE-DOH-DILG-DOT-DTI joint memorandum circular no. 21-01 Series 2021, the Safety Seal Certification Program (SSCP) affirms that an establishment has been found compliant with the minimum public health standards (MPHS) set by the government, including the adoption or integration with the StaySafe.ph in contact tracing application. Enforcement of MPHS includes putting

up of Screening or Triage area where employees submit health declaration and symptoms are assessed; observance of physical distancing; wearing of facemasks, face shields and other protective outer garments; disinfection protocol; availability of hand-washing stations, soap and sanitizers, and hand drying equipment or supplies to employees and visitors; establishment of referral system for medical and psychosocial services; and designation of safety officer who will monitor the status of employees quarantined or isolated.

"Likewise, the Safety Seal will remind us all to prioritize safety in the work area at all times," after the Seal was ceremoniously posted in conspicuous places in all buildings of the regional office.

The display of Safety Seal was led by Local Government Operations Officer II Michael John F. Borja and Administrative Aide IV Roger Christian S. Macalino of DILG, San Fernando City and assisted by Regional Director Aquino and Assistant Regional Director Ronald B. Castillo.

Likewise, the undertaking was witnessed by Medical Officer IV, Dr. Romarie Joy S. Castillo; Dentist III, Dr. Marjorie G. Pudin; Nutritionist Dietitian Maricris A. Rimas; and Project Development Officer II, Jose Richie Perez of the Education Support Services Division. Source: DepEd

The Department of Education Regional Office I received a Safety Seal Certification from the Department of Interior and Local Government (DILG) at San Fernando City, La Union on January 10, 2022 to signify compliance with the minimum public health standards (MPHS) set by the government.

DILG taps into PNP for media security

(From page 2) said, adding that "the 4th Estate is an integral part of our democracy and government's partner for a more peaceful, honest and orderly polls."

"For the DILG leadership, even one incident of media violence is one too many," said Malaya.

He explained that the DILG, as well as all the other member agencies of the Task Force such as the PNP, is fully supportive of the programs and projects of the PRFoMS aimed at

ensuring a better and safer working environment for all media workers in the country.

"As government officials, we have a sworn duty to protect our countrymen against all forms of violence, especially journalists who are in the frontlines to provide news and information to the public. As the President has stated time and again, this government does not and will not condone any form of violence against media people," Malaya said.

The Ampatuan Massacre of 2009 claimed the lives of 58 individuals, including 32 media workers. Considered to be the worst attack against journalists in the world, the incident placed the country among the worst places for journalists in 2009. On December 19, 2019, a Quezon City court handed down the guilty verdict on several respondents in the case, including members of the once-powerful Ampatuan clan, who masterminded the killings. WARNING: It is absolutely prohibited to remove, deface or destroy this NOTICE of Extra Judicial Sale on or before the date of Sale.

The Department of Public Works and Highways (DPWH) has substantially completed another project contract package of Metro Cebu's comprehensive solution to flooding problems.

In his report to Secretary Roger G. Mercado following an on-site inspection, Undersecretary for Unified Project Management Office (UPMO) Operations Emil K. Sadain said that the UPMO Flood Control Management Cluster (FCMC) has posted a cumulative accomplishment of 95.5 percent in the implementation of the P684 Million project contract for the river engineering intervention to protect properties and infrastructure from erosion and flooding in Cebu City and Mandaue City.

The project covers the continuation of revetment and dredging works for Tipolo River, Subangdaku River, Tejero River, Lahug River, Guadalupe River, Kinalumsan River and Bulacao River.

Complementing the nearly finished works are two (2) other contract packages of project for the improvement of flood control structures along those seven (7) rivers on different station limits completed by the Department in 2020 under the Metro Cebu Flood Control Project.

Meanwhile, Undersecretary Sadain has instructed UPMO FCMC Project Manager Luis Paredes to closely coordinate with the Cebu City local government in relocating informal settlers families (ISFs) living along Kinalumsan River.

The structures belonging to ISFs on left and right banks of Kinalumsan River covered by another on-going contract package make it difficult for DPWH to fully implement the project.

Also during inspection, Undersecretary Sadain noticed that many structures behind Gaisano Mambaling are encroaching the river bank and considered "high risk" for flash floods.

DPWH project to improve the waterflow of Kinalumsan River will benefit Barangays Duljo Fatima, Labangon and Mambaling which were severely affected by previous flashflooding in Cebu City. Source: DPHW
