The Land Transportation Office (LTO), led by Assistant Secretary Markus V. Lacanilao, and the Metropolitan Manila Development Authority (MMDA), headed by Chairman Atty. Romando S. Artes, have signed a Memorandum of Agreement to strengthen coordination in traffic enforcement across Metro Manila.

The agreement will link the systems of both agencies through the LTO's LTMS platform, allowing for better data sharing and a more seamless handling of traffic violations—from apprehension to payment.

MMDA will align its systems and processes

Mayor Strike Meets with PrimeWater to Address Water Supply Issues in Molino Areas

The City Government of Bacoor, led by Mayor B. Revilla, held a crucial meeting with PrimeWater Infrastructure Corp. to resolve ongoing water supply problems affecting residents in Barangays Molino 3, 4, and 7.

Joining the discussion were Atty. Ephraim Gianan (City Legal Representative), along with PrimeWater officials Atty. Jeen Lim and Engr. Joanne Ortega. The meeting focused on key issues causing service disruptions, including

unpaid electricity bills to Meralco and low water pressure due to pump motor concerns—both of which have significantly impacted water delivery to households.

Mayor Strike underscored the urgency of restoring reliable and consistent water service, stressing that access to clean water is essential for every Bacooeno. In response, the city government has given PrimeWater a deadline until the end of April to fully address the

issues, including:

Settlement of all outstanding Meralco obligations

Repair and upgrading of pump systems to improve water pressure

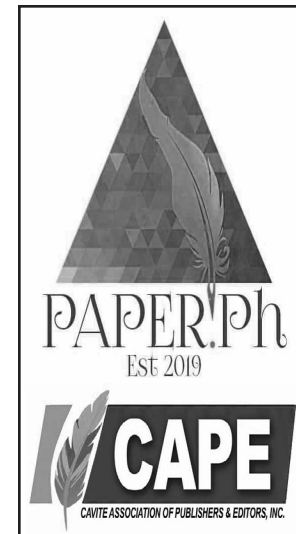

The local government also committed to closely monitoring progress through regular follow-ups to ensure that solutions are implemented effectively and promptly.

Ensuring uninterrupted water service for every household remains a top priority for Bacoor.

2026 National Women's Month Forum on the Safe Spaces Act of 2019

Sa pangunguna ng Office of the Sangguniang Panlungsod, idinaos ang Forum on Republic Act No. 11313 o Safe Spaces Act of 2019. Dito ay nagsilbi bilang Resource Speaker si Atty. Donnabel Crista Tenorio ng Women Involved in Nation Building (WIIN). Mahalagang maipabatid ang ng naturang batas dahil naglalayon itong protektahan ang lahat laban sa gender-based sexual harassment sa pampubliko at pribadong lugar.

President Ferdinand Marcos Jr. on Monday inspected the newly opened segment of Cavitetex C5 Link, which aims to reduce travel time between Parañaque City and Taguig City to just 15 minutes, while also helping motorists reduce gas and diesel consumption amid the ongoing crisis in the Middle East.

President Marcos said the Cavitetex C5 Link will ease travel and connect southern cities in the metropolis, including Taguig, Makati, Pasay, Parañaque and Las Piñas as well as Bacoor and Kawit in Cavite.

MSMEs Go Digital: DTI and Digital PINAS Deliver ICT Tools to Remote Communities

In a major push for nationwide digital inclusion, the Department of Trade and Industry (DTI) and the Digital PINAS program, supported by the European Union, teamed up, to bring modern technology to 14 Negosyo Centers in remote parts of the country. This project provides laptops, tablets, printers, and even satellite internet to areas that usually struggle with slow or no connection. The goal is simple: to help small local businesses join the digital world and grow.

During the handover ceremony, leaders from the DTI, the United Nations, and the European Union explained that while small businesses are the backbone of the Philippine economy, many in rural areas are being left behind because they cannot afford gadgets or reliable internet.

Assistant Secretary Grace Baluyan shared the reality on the ground, "Many of our centers still lack computers or struggle with slow internet, which limits how many clients

we can serve in a day. With new equipment and stronger connectivity, we can assist more MSMEs daily and help them thrive in the digital economy."

The 14 upgraded centers are spread across the country to reach those who need it most. In Luzon, the centers are in Balbalan, Kalinga; Polillo, Quezon; and Ragay, Camarines Sur. In the Visayas, they are in Caluya, Antique; Buenavista, Guimaras; Mambusao, Capiz; Marabut, Samar; and Abuyog, Leyte. In Mindanao, help is now more accessible in Ipil, Zamboanga Sibugay; Kapatagan, Lanao del Norte; Kitaotao and Don Carlos, Bukidnon; Lake Sebu, South Cotabato; and Talacogon, Agusan del Sur.

UNDP Philippines Resident Representative Christophe Bahuet highlighted that digital tools are one of the most direct ways to support local jobs. "Digital transformation must reach entrepreneurs in the most remote communities, not only those in major cities," he said.

"Through the upgraded Negosyo Centers, we are focusing on hands-on services that matter to small businesses: digital diagnostics and coaching, e-gov onboarding, basic e-commerce setup, and connectivity support for last-mile communities."

First Secretary Frederic Grillet of the EU Delegation to the Philippines added, "Through our support to the Joint Programme, the European Union remains committed to ensuring that digital transformation creates tangible opportunities for small businesses."

Undersecretary Blesila Lantayona emphasized that this is about making government help easier to reach for everyone. "Strengthening our Negosyo Centers is central to how we make government support more accessible to entrepreneurs," she said. "By improving digital readiness, especially in remote areas, we ensure that no entrepreneur is left behind in the country's digital transformation." - Source:DTI

Nutrition TIP: Eat More Plants

Eating patterns that focus on whole or minimally processed plant foods are good for your health. They also help our planet by reducing greenhouse gas emissions. This means eating mostly foods from plants (fruits, vege-

tables, whole grains, nuts, beans, lentils) and fewer animal foods. This eating pattern can fit into different food cultures and taste preferences. It can be vegan, vegetarian, or part of a diet that includes animal proteins. Eat more proteins

from plants, such as beans, peas, lentils, seeds and nuts. These protein sources are part of many traditional dishes, and they have less saturated fat than many animal proteins. Choosing them more often may help create a healthier planet.

New Cavite-C5 Link Promises 15-Minute Travel Time, PBBM Inspects Opening

(From page 1)

President Marcos likewise pointed out that the expressway will also help motorists save a lot from the soaring cost of fuel.

"Napakalaking savings nito sa gasolina, sa krudo, sa fuel. Hindi maliit na bagay ang mabawasan mo ang biyahe mo mula sa isang oras kalahati. Malaking savings 'yan," he added.

Meanwhile, vehicular congestion will be also reduced in the Kaingin area and will provide motorists with seamless connection from Cavite to C5 Taguig. It will also provide direct connection to Sucat and Merville in Parañaque, according to Transportation Secretary Banoy Lopez.

"Ito po 'yung pinaka-importante—'yung dalawang kilometro [ng expressway] na sinasabi natin. Kasi nga sabi ni Sec. Vince (Dizon) Paranaque to Taguig umaabot ng 1.5 hours to 2 hours, 'yung ay kapag maswerte ka pa walang traffic. Imagine mo 15 minutes lang ngayon [ang biyahe]," Secretary Lopez said.

"Very timely po [itong pagbubukas ng expressway] sa crisis na nangyayari ngayon sa supply ng langis. At 'yung 15 minutes [na biyahe] 'yung konsumo ng gasolina at krudo, malaking tulong po sa ating mga kababayan," he added. Secretary Dizon said the Department of Public Works and Highways (DPWH) and DOTr will open networks of high-

ways in the coming weeks to reduce travel time and fuel costs for motorists.

"Ang objective, ang utos ni Pangulo sa amin ni Sec. Banoy [ng DOTr], magbukas ng as many new roads as possible between now and Holy Week. Lalung-lalo na ngayon na mataas ang presyo ng gasolina, hirap 'yung mga kababayan natin, kailangan magbukas tayo nang kalye para ma-cut 'yung travel time—menos biyahe, menos konsumo, menos gastos," he said.

The Toll Regulatory Board and the joint venture partners namely Philippine Reclamation Authority (PRA) and Cavite Infrastructure Corporation (CIC), constructed this 7.7-kilometer CAVITEX C5 Link that will provide efficient access to the Ninoy Aquino International Airport (NAIA) and C5, via key interchanges at the R1 Expressway (Coastal Road), Sucat Road (Dr. A Santos Avenue), and C.P. Garcia Avenue (C5 Road).

The expressway which shall be operated by the PEA Tollway Corporation (PEATC), is projected to serve around 36,000 motorists daily. The expressway is also expected to ease congestion on major arterial roads across Cavite and southern Metro Manila, while strengthening logistics link between the industrial hubs of Cavite and the commercial centers of Metro Manila, supporting regional economic growth. Sa nasabing diskusyon, ibinahagi ni Romeo Godoy Maglunsod, Chairman ng Motorcycle Taxi Communi-

es with LTO standards, including the demerit system, proper adjudication and appeal procedures, and the use of multiple payment options. Safeguards are also in place to ensure due process for motorists.

The MOA also makes clear that license confiscation is limited to LTO-deputized enforcers, to avoid confusion on the

ground. This is a step toward more consistent enforcement and clearer processes for motorists across Metro Manila. Source: MMDA
